Limited Engine Warranty

24 Month/24K miles (long block) 12 Month/12K miles (short block)

WARRANTY STATEMENT

1. This warranty covers defects in parts and workmanship for 24 months/24K miles on Long Block Engines and 12 months/12K miles on Short Block Engines.
2. This limited warranty does not cover any labor cost on any warranty claims submitted to B's Engine & Machine.
3. This warranty is strictly limited to repairs, replacement or exchange of a defective engine.
4. B's Engine & Machine does not make road calls and will not examine or trouble-shoot an engine with a problem.
5. If a problem exists, the engine must be removed and returned to B's Engine & Machine for examination, or diagnosed by a third party chosen by B's Engine & Machine.
6. This warranty begins to run from the date of the original invoice and any repairs or replacements shall not extend this warranty.
7. This warranty is non-transferable.
8. B's Engine & Machine is not responsible for replacement of damaged or worn accessories and equipment.
9. B's Engine & Machine reserves the right to warranty any justifiable claims only upon prompt notice by the customer of the specific defect or fault and after a complete examination of the returned engine by B's Engine & Machine to verify the defect.

WARRANTY DOES NOT COVER

1. Misuse - Rebuilt engines or parts that are damaged by speeding, overheating, accident, damaged or defective accessories or components (not included in sale), abuse, neglect.

2. Fluids or Towing
3. Faulty Installation: Damages that are a result of faulty, incorrect or unqualified installation voids the warranty.

B's Engines will not be responsible for engine failure due to undiagnosed pre-existing problems related to: cooling system, carburation, fuel injection, EGR valve, catalytic converter, electrical/computer sensors etc., torque convertor or transmission. It is the installing mechanics responsibility to make any and all Manufacturers Specific Engine Adjustments required, including cam shaft break in procedure and final valve adjustment and should diagnose and correct any mechanical related problems that would effect the proper installation and correct drive-ability performance of the engine. B's Engines strictly covers only the mechanics of the engine sold.

(SPECIAL NOTE) – THE USE OF ANY ABRASIVES ON ANY PART OF THE ENGINE INCLUDING SURFACE CONDITIONING PADS OR SAND BLASTED PARTS ARE ABSOLUTELY FORBIDDEN AND WILL VOID THE WARRANTY.

4. Other Equipment - Accessories or damages to equipment not provided as part of the engine sale, including without limitation: radiator, carburetor, fuel injectors, wiring, starter, etc.
5. Incidental & Consequential Damages - Loss of time, loss of income, loss of use of vehicle, inconvenience, commercial loss or incidental or consequential damages, injury to person, nor do repairs or replacement extend this warranty beyond the described period from the date of original installation.
6. Warranty is Void if heat indicating tabs are removed, center melts out, or any other indications of overheating.
